

WILL DIVIDE UP AFTER CENTURY

The Portsmouth Baptist Association Makes a Separate Association of Upper District.

REQUESTS FOR ADMISSION

Atlantic Coast Line May Open Up the Shops at Petersburg.

[Special to The Times-Dispatch.]
PETERSBURG, Va., September 26.—The big Virginia Portsmouth Baptist Association decided this morning, the second day of its 113th annual session, to divide into two bodies, one of which will comprise all the churches in the upper district, and also Nansemond and Suffolk churches in the middle district, and all the present churches in the middle district, and Capron, Boykins, and Thomas Memorial in the upper, the lower district to remain as it is.

Rev. F. W. Moore, pastor of the Second Baptist Church in Petersburg, asked for "letters of dismission" for the organization of the new association by the churches of the upper district. Dr. Gavin Rawlin made the same request for the churches of the middle district.

The report on the Baptist Orphanage, submitted by Rev. W. C. Blair, recommended a special contribution for the building of an infirmary and other improvements. Other encouraging reports, embracing the subjects of general education, ministerial education, home and foreign missions, were adopted.

Discussion of education brought up the great subject of the big university for women to be established in Virginia by the Baptist Church. Several cities are already competing for the institution, among them Richmond, Bristol, Charlottesville, and Lynchburg, which last city has offered to give the site and one hundred thousand dollars.

It is reported that the Atlantic Coast Line Railroad may soon reopen the Mt. Airy shops here because of the surplus of work at the shops in Rocky Mount, North Carolina.

The Mt. Airy shops have been closed for several years, and their reopening would require the employment of a large number of skilled workmen.

The entire second floor of the handsome new building of the Petersburg National Bank has been leased for office by the Law Department of the Coast Line, which will soon establish headquarters in this city.

A proposition to teach music in the public schools will be brought before the school board by a committee representing the musical and Methodist Sunday School Association at special meeting of the board next Wednesday afternoon.

ECHOES OF THE STORM.

Wheat Cargo Damaged and Has to Be Unloaded.

[Special to The Times-Dispatch.]
NEWPORT NEWS, Va., September 26.—It has been found that a portion of the great cargo of wheat in the British steamship *Leinster*, which arrived here last Wednesday, was damaged by the storm.

The damage was done to the wheat by the heavy rain and the high winds which accompanied the storm. The wheat was found to be wet and moldy in many places.

The ship's crew is now unloading the damaged wheat and storing it in a warehouse. The ship will be allowed to leave for England tomorrow.

PAYNE INTERESTS GIVE UP FRANCHISE

Traction Company Would Remove Tracks From Streets of Newport News.

ROAD WAS NEVER A SUCCESS

Request of Company Now in the Hands of the City Council.

[Special to The Times-Dispatch.]
NEWPORT NEWS, Va., September 26.—W. J. Payne, who controls the street railways on the Peninsula, has addressed a letter to the Mayor and both branches of the City Council, asking that the Hampton Roads Traction Company be permitted to abandon its franchise in this city, remove its tracks, tear down the Twenty-sixth Street viaduct over the Chesapeake and Ohio tracks, and restore the streets now occupied by the line to their original condition.

Mr. Payne's request is the result of the miscarriage of his plan to consolidate all the local railways, pull down the Twenty-sixth Street bridge, and abandon certain streets, with permission of the Council. The Council has refused to grant the ordinance submitted after making the ordinance a condition of the franchise. The Board of Aldermen, however, declined to concur in the action of a lower branch, and would not adopt the measure in any such shape as would be acceptable to the railways.

Developments have been expected for some time. Since the ordinance was passed by the City Council, the Hampton Roads Traction Company has declined to carry out the franchise in regard to the repairing of the West Avenue paving and various other things have happened to bring the situation to a head.

When asked for a statement today, Mayor Buxton declined to discuss Mr. Payne's request. He said that he did not care to have anything to say before the matter came up before the Council.

The Hampton Roads Traction Company is the successor to the Virginia Railway and Electric Company, which was started in competition with the Newport News Railway and Electric Company five or six years ago. The rail was never a success. It was operated for some time by the company, then receivers appointed by the Federal District Court, and about a year ago it was bought in by the interests represented by Mr. Payne.

COULD NOT REST NIGHT OR DAY

With Irritating Skin Humors—Whole Body Affected—Scalp Itched All the Time and Hair Began to Fall Out—Wonderful Result From

APPLICATION OF CUTICURA REMEDIES

"I am never without Cuticura Soap and Cuticura Ointment since I tried them last summer. About the latter part of July my whole body began to itch. I did not take much notice of it at first, but it began to get worse all the time, and then I began to get uneasy and tried all kinds of bath and other remedies that were recommended for skin humors; but I became worse all the time. My hair began to fall out and my scalp itched all the time. Especially at night, just as soon as I would get in bed and get warm, my whole body would begin to itch, and my hair would keep falling out. I was not long before I could not rest night or day. A friend asked me to try the Cuticura Remedies, and I did, and the first application helped me wonderfully. For about four weeks I would take a hot bath every night and then apply the Cuticura Ointment to my whole body; and I kept getting better, and by the time I used four boxes of Cuticura I was entirely cured, and my hair stopped falling out, but I continue to use the Cuticura on my scalp. It keeps all dandruff out and scalp is always clean. I always use Cuticura Ointment on my face after shaving, and have found nothing to equal it. I will never be without it." D. E. Blankenship.

319 N. 4th St., Indianapolis, Ind.

RECOMMENDED TO ALL MOTHERS

"I have used Cuticura Ointment for chafing of infants, and as they grow older all skin diseases were given treatment with that and the Cuticura Soap. I never found it necessary to call a doctor, as these Remedies are a sure cure, if used as directed. I am glad to recommend them to all mothers." Sincerely yours, Mrs. F. A. Kennard.

ORDER OF RED MEN ERECT BUILDING

Will Hold Great Carnival in Norfolk During the Jamestown Exposition.

CURIOS OF THE ABORIGINES

Will Also Re-Enact Drama of Landing of Smith at Jamestown.

[Special to The Times-Dispatch.]
NORFOLK, Va., September 26.—A building of four new huts, representing an Indian town, is being erected on the grounds of the Jamestown Exposition. The location for it has not yet been selected, but it will be somewhere in a grove of trees that will afford, as far as possible, the appearance of a forest and give to the structure the air of the typical Indian meeting place.

When the Great Council of Red Men of the United States decided to hold its session next year at the Jamestown Exposition it was agreed to erect a building to be used as a home for the Indian tribes. This building will be a museum of curios of the aborigines, which are now being collected in Alaska and Florida. The remainder of the structure will be used as a reception room, where the Red Men who visit the exposition will spend their time.

John Smith, who landed at Jamestown in 1498, will be re-enacted in the drama of the landing of Smith at Jamestown.

KILLED ELDER BROTHER IN A DRUNKEN BRAWL

C. P. Irby in Jail Without Bail, Charged With Fratricide.

[Special to The Times-Dispatch.]
LENNING, Va., September 26.—In a drunken brawl near this place on Saturday, the 23d, C. P. Irby, aged about forty-five, killed his brother, W. R. Irby, aged about fifty, with a stick, striking him over the head. Both of the brothers were under the influence of whiskey, and there were no witnesses to the crime. The slain brother was in a drunken condition, but his statement before the magistrate was so convincing that he was committed to jail to await the action of the grand jury.

The Largest, Best-Equipped and Cleanest Flat Plug Tobacco Manufacturing Plant in the World

The Reynolds factories, equipped with every modern appliance for producing the best chewing tobacco by a clean, sanitary and healthful process, under the direction of men who have made the business a life study, are located in the centre of the Piedmont tobacco belt, known to the world as the best productive soil for tobacco with an aroma so delightful, pleasing and appetizing that it created and popularized the fondness for chewing tobacco.

Only choice selections of this well-matched, thoroughly cured leaf are used in SCHNAPPS and others of the high-grade Reynolds brands, and expert tests prove that this tobacco requires and takes a smaller

amount of sweetening than any other kind, and has a wholesome, stimulating and satisfying effect on chewers.

SCHNAPPS is the brand that made the Reynolds factories famous as the manufacturers of the best and most popular brands of chewing tobacco, and made necessary the enormous growth from a small factory in 1875 to the largest flat-plug factory in the world.

The men who started the Reynolds Co., in 1875, are directing it to-day. There are a greater number of manufacturers making imitations claimed to be just as good as SCHNAPPS than any commodity manufactured; yet there are more pounds of SCHNAPPS chewed than the total amount of all imitative brands, or tobacco of similar appearance.
